Dear PaAACT Members:

The Pennsylvania Section of the AACT collects candy donations from our member companies and delivers them to children in area institutions of need. With the cold winter, we need to come together and warm the hearts of many children this year.

Your generosity benefited children at many local institutions. The institutions that received donations were: St Christopher's Hospital for Children, Shriners Hospital, Mercy Hospice, Wills Eye Hospital, St. Edmond's Home, Presbyterian Children's Village, Jefferson University Hospital, Divine Providence Village, Royer-Greaves School for the Blind, and Community Action of Delaware County.

Monetary contributions were also received that allow me to buy many stuffed bunnies for the younger children unable to indulge in sweets this past year. If the monetary option is selected, please make checks payable to AACT Gift of Love. The location to send your candy and monetary donations is below. Zitner's has always helped with this charity and now I have the pleasure of organizing this program here with my new position. Thank you Zitner's for allowing me to continue this great tradition.
